Sibford is a place where we aim to nurture ambitious learners who shape their worlds with their creative, compassionate and questioning minds, where your career journey can flourish alongside the growth of our exceptional students.

In our commitment to individuality, we recognise that employees, much like our students, are diverse in their approaches and strengths. At Sibford, you're encouraged to be adventurous, curious, creative, confident, and above all—be yourself.

Rooted in Quaker values, our approach to teaching is grounded in truth, integrity, equality, community, peace, simplicity, and sustainability. These values are not just words on paper but living principles that underpin the distinctive characteristics of Sibfordians.

In the nurturing, safe, and supportive environment we cultivate, you'll find a space where your potential has no limits. Here, there's no ceiling on your ability to inspire and shape young minds, both academically and personally. Tolerance and consideration towards each other are not just encouraged; they are integral to our community ethos.

Our curriculum is as diverse as the talents it aims to nurture. We pride ourselves on traditional academics, creative arts, technology, and horticulture, in small, dedicated classes, inspiring and stretching each individual, guiding them to discover their own talents and embrace their authenticity.

Sibford is more than just a school; it's a place where employees are partners in the growth and development of future leaders and citizens. If you're seeking an environment that values creativity, agility, resilience, positivity and empathy, we warmly invite you to consider joining us at Sibford.

A candidate pack can only convey so much. Come and meet us in person—experience the genuine warmth and vibrancy that defines our educational community.

Looking forward to the prospect of welcoming you to the Sibford family.

Our Vision and Ethos

Our mission

To nurture ambitious learners who shape their worlds with their compassionate, creative and questioning minds.

Our vision

To empower future generations who live adventurously in the world and take responsibility to improve it.

Our ethos

Endeavour

- I take responsibility for my learning journey, striving to give my best in all lessons and activities.
- I have the resilience to take accountability for my mistakes and recognise they help me learn and develop.
- I take pride in my work and approach all my lessons ready to learn by being punctual, organised and prepared.

Respect

- I respect myself, my surroundings and those around me.
- I show integrity by being truthful, reflecting on my decisions and making wise choices.
- I actively listen, value the perspectives of others and seek stillness even amid the activities of daily life.

Community

- I actively help others and the community.
- I am responsible for an environment where equality is valued and I treat everyone how I want to be treated.
- I understand my responsibility to display stewardship and make the world a better place.

Kindness

- I advocate for inclusivity and try to include everyone in my lessons and activities.
- I actively try to consider and understand how someone else may be feeling and respond with kindness.
- I look for peaceful resolutions to disagreements, never using words or actions to deliberately hurt others.

Our Approach

We believe that academic success is driven by outstanding pastoral care and a vibrant and well-rounded education.

A focus on the individual needs of each child is central to our approach. Small class sizes with dedicated teachers nurture, inspire and stretch students, giving them a chance to unearth their talents and truly know themselves. Our open and calm environment gives them the space, confidence and mindset to work to their full potential.

We have a dedicated SEN department with a fantastic reputation for their pioneering work. Neurodiversity is part of the rich and eclectic world we live and all the better for it. We believe that embracing and adapting to this diversity should just be an integral part of any school's approach.

We celebrate and champion the diversity of humans, aiming to offer our students a rich and varied curriculum and opportunities to experience and explore diverse skills and interests. As an independent school, we welcome the opportunity to enrich our curriculum, encouraging students to follow their own path, whether it's a traditional academic one, creative arts, technology or horticulture. Placing huge value on co-curricular activities, we actively develop a rich timetable of activities that above and beyond offering new skills and knowledge, inspire great friendships and instil a strong sense of belonging.

A well-rounded education teaches students a wealth of brilliant life skills, from creative thinking, agility, and resilience to leadership, collaboration, and emotional intelligence – all essential in guiding their growth into good citizens and life-long learners.

Senior Leadership Structure

Sibford

Living in Oxfordshire

Whilst Oxfordshire and the Cotswolds are beloved and popular with so many, we know that not everyone will have had first-hand experience of it, so this is a short introduction to the area.

Oxfordshire offers a wonderful quality of life, blending picturesque countryside with the vibrancy of a historic and culturally rich city. With charming villages to explore, walks in the Cotswolds to enjoy, the county provides something for everyone. The area is particularly attractive to families seeking a balanced lifestyle with access to excellent amenities.

Oxford itself is a world-renowned city, known for its beautiful architecture and prestigious university. It's a place where tradition meets innovation — from centuries-old libraries and colleges to cutting-edge research and technology hubs. The city boasts a wide range of independent shops, cafes, and restaurants, as well as theatres, museums, and galleries. Oxford is committed to being a zero carbon city by the year 2040 and has implemented many initiatives to achieve this goal, including Low Traffic Neighbourhood (LTN) schemes, Oxford's Low Emission Zone and the Energy Superhub.

Transport links are another major advantage of life in Oxfordshire. With excellent rail and road connections, you can easily access London, Birmingham, and other major cities. London is just an hour by train to Paddington or Marylebone, while the M40 and A34 provide convenient routes for drivers. For international travel, Heathrow Airport is just over an hour away and Birmingham International Airport is also easily accessible.

Above all, Oxfordshire offers a strong sense of community. From local festivals and farmers' markets to active sports clubs and cultural events, there are many opportunities to connect with others and feel at home. For those taking on a senior role in education, this welcoming and dynamic environment is the perfect backdrop for both professional growth and personal wellbeing.

Oxfordshire is also ideally situated for exploring a wealth of cultural and historical attractions. Just a short drive away is Blenheim Palace, a UNESCO World Heritage Site and birthplace of Sir Winston Churchill. The nearby Cotswold towns of Woodstock, Witney, and Burford offer characterful high streets while Stratford-upon-Avon — the birthplace of Shakespeare — is perfect for a day out steeped in history and theatre.

Some highlights from our ISI inspection in October 2024

“Pupils, including boarders, feel safe and are confident that there is a trusted adult they can speak to if they have any concerns.”

“Leaders work collaboratively and effectively together to provide an academic and pastoral education reflecting the ethos of the school. This ethos is based on the school’s values of endeavour, respect, community and kindness. Leaders take into account the needs of the pupils and the views of parents to prioritise the most important things that they need to do.”

“The school’s ethos of welcome and inclusion permeates every aspect of school life. There is a palpable sense of kindness in interactions between pupils and modelled by their teachers. Pupils model the school’s ethos and aims of collective stillness and reflection in assemblies, lessons and during social times. As a result, pupils behave well.”
